

Norfolk County Music Festival

March 7th - 18th 2022

It is my great pleasure to announce that the **Norfolk County Music Festival** will be returning to its 'live' format in 2022 with all the usual classes including the return of the School Choirs classes at St Andrew's Hall.

Following the success of last year's online WCET groups we are offering a choice for this class this time: a live performance in Norwich or a video recording for the adjudicator to view. This latter option is particularly aimed at those schools a considerable distance from Norwich but there may be other reasons why this may be better for your school. Please do get in touch if you would like help deciding.

We are currently running a survey on our social media platforms to discover to what extent schools feel willing and able to send groups to the festival, particularly with regard to choirs and bands/orchestras. Please follow the links below to fill this in - it only takes a minute!

We look forward to seeing you in March 2022!
